

Sangerfest Hotel Information

The official Sangerfest 2020 conference hotel will be the Madison Concourse Hotel, 1 West Dayton Street. The Concourse was chosen because of its proximity to our Grand Concert venue--the Overture Center for the Arts, and the Orpheum Theater--the venue for our Parade of Choruses. Both venues are about a block from the Concourse.

In addition, the hotel is very close to the Capitol Square, the Wisconsin State Historical Museum, the Wisconsin Veterans Museum, and the Madison Farmers' Market.

Registration, Hospitality room, some of the individual chorus practices, NSAA business meetings, Ladies Luncheon, Parade Preglow, Grand Banquet and several classes will all be held at the Concourse. A casual restaurant and a coffee shop are available in the hotel. A hotel shuttle bus is available for travel within a 1 mile radius of the hotel at no charge--reservations may be necessary. Our overnight room lodging pays for our conference room usage, so use of the Concourse Hotel is encouraged. There are a limited number of rooms available on Wednesday, June 17, in addition to rooms available on June 18-20. **Make sure you register early to receive the group rates.**

There are other hotels available in the downtown area, however group rates have not been negotiated, and are generally comparable or higher. Outlying hotels are less expensive, but traffic in the Madison isthmus, with all its one-way streets, can be a challenge.

We encourage you to stay at the Concourse Hotel, as it is the most convenient to the performance areas, is the center of other Sangerfest activities, and very importantly, your room rental is subsidizing the use of the common spaces in the hotel.

For those with mobility concerns, Concourse Hotel shuttle service is offered at no charge for travel within one mile of the hotel. Check at the front desk for availability. ADA compliant rooms are available.

To reserve a room, call hotel reservations **(800) 356-8293**. Make sure you reserve using the group rate for **Sangerfest 2020**. The group rate is \$169+tax/night.
